Different in Every Way

Whether your trip is for business or pleasure; for 8 or 800; around the corner or far away - choosing Prestige Corporate will ensure that your journey goes smoothly and with the minimum of fuss.

We have been serving the business community for over 15 years. In that time we have handled the transport arrangements for conferences, events, site visits, product launches, award ceremonies, annual general meetings and much, much more. Our services have even added to the glamour of the MTV awards, the smooth operation of a State Visit and the excitement of the UEFA Champions League.

At Prestige Corporate we pride ourselves in our professional, helpful and friendly approach to your business. We hope that you will find the information in this brochure useful as you select your travel partner.

We look forward to providing you with an exclusive journey soon.

MOTORCOACHES

Purely an enjoyable travel experience

Sleek, modern and discreet - are just 3 words that sum up our motorcoaches. In our dignified and under-stated livery they will present just the right image for your journey.

From the moment you step aboard you will be aware of an ambience of sophistication and style. A wealth of fine materials - attractive fabrics, leather highlights and double-glazing - all combine to create a restful environment whether your journey is for business or pleasure. We have installed the very best seats to ensure that your journey is as comfortable as possible, no matter how long or short your time on-board. Wider than most, our custom-built seats are ergonomically sculpted to ensure impeccable comfort. An adjustable footrest, increased l-e-g-r-o-o-m and your own service unit providing reading lamps and ventilation controls will further enhance your sense of wellbeing throughout the journey.

Whether it's cold or hot outside - it's always comfortable inside thanks to the efficient climate-control systems that are fitted to all vehicles in our fleet. To further enhance your comfort double glazed windows are gently tinted to reduce the harmful effects of UV rays.

Your safety is our highest concern, which is why all our coaches are fitted with seatbelts and a host of safety features including additional braking systems, ABS and efficient retardation systems.

All-in-all you could say that Prestige Corporate is re-writing the book on coach travel.

BESPOKE JOURNEYS

At Prestige Corporate we recognise that every customer has individual needs

We take pride in meeting the needs of our customers, no matter how exacting their requirements. Our team of expert travel planners will work with you to create a bespoke journey that meets your exact needs and budget.

If you would like newspapers, freshly made Fairtrade filter coffee or chilled mineral water available, we will be happy to help. We can arrange a light continental breakfast, for that early morning transfer or perhaps a sophisticated packed luncheon, after your first 18 holes of the day. A range of menus are available which meet a wide variety of budgets and dietary requirements. To further enhance the experience you can create a customised travelling environment by producing customer service items such as menu cards, headrest covers and audio/visual presentations.

Our coaches are fully licensed so we can provide you with a full bar service of alcoholic and non-alcoholic drinks (terms and conditions apply, please contact us for details).

When you choose to customise your journey with Prestige Corporate you are moving motorcoach travel to an altogether new level.
